VCF Consignment Sale Information Sheet

VCF 7.0 - Saturday, November 6 - Sunday, November 7 - 2004

Selling your old computer items on consignment at the Vintage Computer Festival is easy and trouble-free. You just drop your items off on Friday and come back on Saturday to pick up your money (or your unsold items). We take care of all the details. We take a nominal 15% of the actual sale price as our commission.

INSTRUCTIONS

Fill in your personal information on the left. Then list each item you are selling including your asking price and the minimum offer you are willing to accept. We will attempt to sell the item for as close to your asking price as possible, but we will negotiate with any potential buyer down to your minimum selling price. We will not sell your item below your minimum asking price. Return by 6:00pm on Sunday to retrieve your sale money and any unsold items. ***A disposal fee of $25 per item will be charged for unclaimed items.***
